

School Building Authority of West Virginia  
ROANE COUNTY – NEW SPENCER MIDDLE SCHOOL

The main entrance of Spencer Middle School is not ADA accessible and is not adjacent to the office.

There are many unsecure and uncontrolled entrances that allow direct access to hallways.

Many areas of the existing school have been condemned including the 3<sup>rd</sup> and 4<sup>th</sup> floors and a large section of bleachers.

The site of the existing Spencer Middle School is inadequate for proper accessibility.
