

School Building Authority of West Virginia  
GRANT COUNTY - PETERSBURG HS - SAFE SCHOOL ADDITION/RENOVATIONS

Plans will move high school entry from right side of image to left side of image

Current vestibule with main office across the hall. This office will become a wellness suite for the school.

Doors on the left will be the new entry point closer to the gymnasium and cafeteria which are used after hours.

The wide corridor in the front of the facility offers any visitor full access to the school.
