

School Building Authority of West Virginia  
HARDY COUNTY – EAST HARDY ES & MOOREFIELD MS SECURITY UPGRADES

At East Hardy ES, the scope is to replace hardware, repair doors and windows and repaint all framing.

At East Hardy ES, hardware is malfunctioning, and doors often do not fully close.

At Moorefield MS, an addition will be added to the left of the current entry for a new office and safe school vestibule.

At Moorefield MS, the existing office is across the hall from the entry.
