

School Building Authority of West Virginia  
MARION COUNTY – NINE SAFE SCHOOL ENTRANCES

At Barrackville ES, the stairs will remain to access the new main office.

At Blackshere ES and Monongah ES, the plans are to change adjacent classroom at entry to office space.

At Fairview MS, the office will move to the end of the building where vehicular pick up already occurs.

At Jayenne ES, interior and exterior stairs will remain to access the new main office.

School Building Authority of West Virginia  
MARION COUNTY – NINE SAFE SCHOOL ENTRANCES

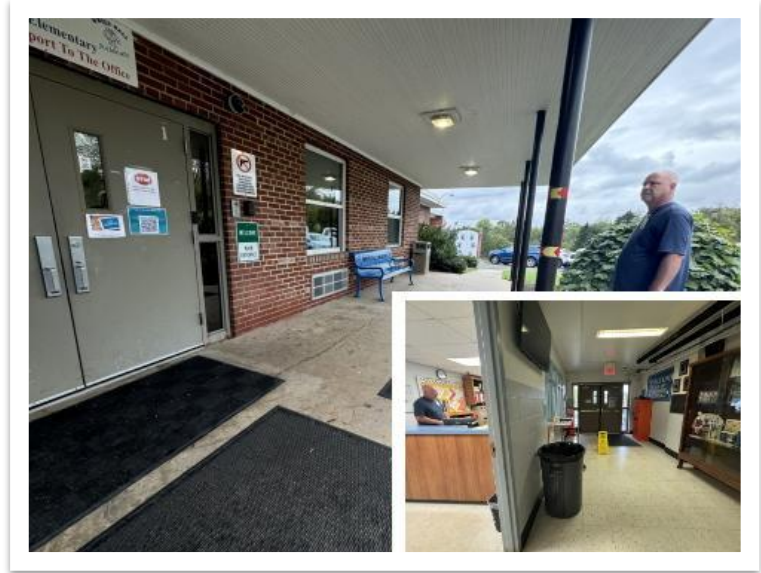

At Pleasant Valley ES, the office will move to the end of the building where vehicular pick-up already occurs.

At Rivesville MS, the stairs will remain to access the new main office. Cafeteria and gym buildings will still be exposed spaces.

At Watson ES, the new safe school entry will be an addition along the row of glass windows of the main office.

At White Hall ES, the new safe school entry will be an addition along front of the main office.
