

School Building Authority of West Virginia  
MONONGALIA COUNTY – NEW SUNCREST MS

Suncrest MS's original three-story building was built in 1939 with a major addition in 1994.

The 6<sup>th</sup> grade annex building had a roof and truss replacement this summer/ fall due to water issues.

There has been repointing of mortar in the past, but cracks are reappearing that travel through bricks and block.

A new site is being purchased near Mon Health Med. Center.
