

School Building Authority of West Virginia
WAYNE COUNTY – BUFFALO K-8 ADDITION/RENOVATION

Buffalo ES was built in 1960 and has flooding issues, along with ADA and other safety deficiencies.

A new wing will be constructed onto the existing Buffalo MS to create the New Buffalo K-8.

Project includes renovations to Buffalo MS to accommodate the additional students from Buffalo ES.

An aerospace Program with Tri-State Airport is a part of a STEM class in the renovated Buffalo MS Library.
