

School Building Authority of West Virginia  
**PUBLIC CHARTER SCHOOL PROJECT REQUESTS**

			<b>Ranking</b>
<b>Wisdom Academy</b>		\$ 1,100,000	<b>2</b>
*	The requested funding is intended for the acquisition of a two-story building located adjacent to the current Wisdom Academy facility in Morgantown.		
<b>West Virginia Academy</b>		\$ 960,000	<b>4</b>
*	These funds shall be allocated toward the acquisition of land and initial site infrastructure enhancements. Such upgrades include, but are not limited to, the installation of on-site three-phase power connections, power lines, and electrical boxes, as well as excavation for the campus site, roadways, walkways, lighting, and parking facilities.		
<b>Mary Phalen Leadership Academy</b>		\$ 227,086	<b>5</b>
*	The funding recommendation for the Mary Phalen Leadership Academy has been adjusted to a lower amount than initially requested. This reduction is due to the removal of expenses related to Chromebooks and the associated three-year warranty costs from the proposal.		
<b>Eastern Panhandle Preparatory Academy</b>		\$ 1,850,000	<b>1</b>
*	This funding recommendation is restricted in scope to academic additions and designated renovation enhancements. Excluded from the projected costs are technological infrastructure needs, septic system upgrades, and site-related renovations.		
<b>Clarksburg Classical Academy</b>		\$ 862,914	<b>3</b>
*	The allocated funding covers the full scope of the requested work, with the exception of the majority of the Auditorium renovation. However, both the room and stage lighting for the Auditorium remain included in the project.		
<b>Total SBA Funds Requested:</b>		<b>\$ 5,000,000</b>
