Dear Mr. Neptune:

The Monroe County Board of Education requests an extension to the Mountain View School Cafeteria Expansion/Safe School Entry MIP Project Grant Agreement. The current project deadline is June 30, 2024 and we request an extension through December 30, 2025.

This project has faced many obstacles that have resulted in the need to re-bid the project. Design took much longer than it should have. Construction bids were completed two times, with the re-bid being February 29, 2024. Both bids came in over budget, even with significant reduction of space and redesign in the second bids.

We appreciate your consideration of this extension request. Please feel free to contact me if you need further information.

Sincerely,

  
Joetta Basile, Ed.D.  
Superintendent of Schools
